## COMMERCIAL CONSTRUCTION PLAN & SYSTEMS REVIEW & INSPECTION

All commercial building plan and system reviews/inspections are provided through the Colorado Springs Fire Department (CSFD) Division of the Fire Marshal, Construction Services Section by Memorandum of Understanding for the Falcon Fire District. Submit Commercial Drawings and System plans directly to the CSFD Construction Services Section located at the Regional Building Department. A link to CSFD review/inspection fees can be found here;

[https://coloradosprings.gov/sites/default/files/final\\_2020\\_fee\\_schedule\\_construction\\_services.pdf](https://coloradosprings.gov/sites/default/files/final_2020_fee_schedule_construction_services.pdf)

Please note there is a one-time extra-territorial (ET) fee per permit issued by CSFD. This fee is assessed in addition to review and permit fees. This fee can be found here;
